Well, if u don't like it I don't give a damn
Go hide 'cause I'm goin' for ya neck
With my courage I will shine like a brand new cadillac
Ridin' low I got seats broad like my back

On my chainz, gained freedom - no pains
'Cause I'm goin' for da big change! Unity
And tolerance, no fuckin' prejudice against
Me and I don't give a fuck: Hate me!
